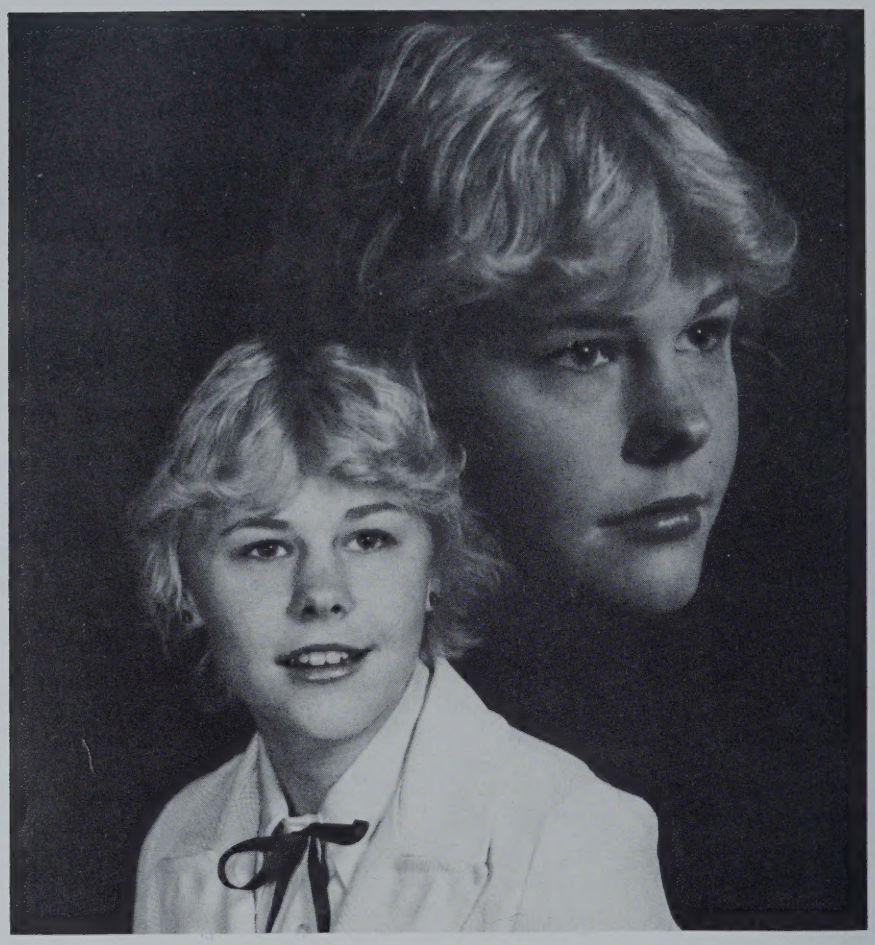
In Memorium



To be Nobody but Myself —
in a world which is doing it's best,
night and day,
to make you everybody else —
means to fight the hardest battle,
which any human being can fight,
and never stop fighting.

IN MEMORY OF A CHILD

The angels guide him now,
And watch his curly head,
And lead him in their games,
The little boy we led.

He cannot come to harm,
He knows more than we know,
His light is brighter far
Than daytime here below.

His path leads on and on,
Through pleasant lawns and flowers,
His brown eyes open wide
At grass more green than ours.

With playmates like himself,
The shining boy will sing,
Exploring wondrous woods
Sweet with eternal spring.

Perhaps the most valuable result of all education is the ability to make yourself do the things you have to do, when it ought to be done, whether you like it or not; it is the first lesson that ought to be learned, and however early a man's training begins, it is probably the last lesson that he learns thoroughly.

The Cross Country team would like to express its thanks to Coach Coughlin. With only nine people on the team, the odds were against us from the start, but his inspiration and guidance led us to a 5-9 record, a dramatic improvement over last year's 2-12. With his help, and the new people from the Junior high, next year could be our year.

Prom Theme 1981
"Pretty Maids all in a Row"

Hi there, how are ya? It's been a long time. Seems like we've come a long way.
My but we learn so slow --- and heroes they come and they go --- and leave us behind, as if we're 'sposed to know --- Why --- ?
Why --- ? Why do we give up our hearts to the past and why must we grow up so fast? --Ooh ....
And all you wishing well foolswith your fortunes. Someone should send you a rose.
With love from a friend, It's nice to hear you again, and the storybook comes to a close. Gone are the ribbons and bows.
Things to remember; places to go; pretty maids all in a row --- ooh .... ooh ...

Dedication

It is the wish of this years senior vocational students that this section of the yearbook be dedicated to Mr. Robert Warren and Mr. James White, for their continuing guidance, support and all around helpfulness to this class. At first we found it hard to sit through two or three grueling blocks a day of these two teachers, but now as we look back on those years, it was those two teacher's that played a major role in helping us grow and mature. As we realize we'll soon be leaving this school, we begin to respect these two teachers with whom so much of our time is spent. We'd like to take this time to say "Thank you" Class of "81" Voc. Seniors.
